It's election time! Paid members of the Guild will find a ballot attached. Please vote and return the ballot to Wink Allen immediately. Invest 20 ¢ in the future of your Guild!

MEDICAL CENTER SHOW is currently hanging in the lobby of the Dental Building. Hours are Monday-Friday 8 a.m. - 5 p.m. We'll try to get pictures and/or slides before the show comes down on Nov. 29.

SWATCH SWAP Ten members have signed up to participate. Details will be coming soon. Watch your mail for a note from Amy.

CRAFTSMAN'S GUILD SHOW Nancy will be in charge of the booth. If you have items for sale, bring them to Dianne (at home) not later than noon on Dec. 3, or have them at the Trade Mart no later than 5 p.m. Items arriving later will only be displayed as space becomes available. Marcy will bring all items from the Medical Center Show that haven't been sold. If you don't want your piece to be included, contact her.

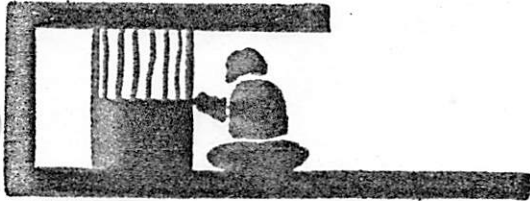

DECEMBER MEETING will be Dec 4 at 6:15 p.m.; meet at the Weavers' Guild Booth and we'll go from there. This meeting will be very brief so that you will be able to attend the Guild supper scheduled for that evening. All old officers will be responsible for transferring pertinent information and/or paper work to the incoming officers at or before this time.

A WORD FROM YOUR RETIRING DIRECTOR. I would like to thank all the members who have made my job easier over the last year, especially those who graciously stepped in to cover someone else's job. In particular I would like to thank Dianne Davidson for her help beyond the call of duty and for being such a patient friend. I would also like to wish good luck to the new officers; I know that they have a lot of work ahead time, but I hope that they'll have a rewarding time. I think we have accomplished a lot over the last year, but a lot remains to be done. Hopefully we have learned to work together and to realize that some people don't take their responsibilities seriously. Fortunately, there are enough serious members to make our Guild worthwhile. The nicest thing I heard all year was in Seattle when I picked up our Convergence piece: the HGA lady said "You folks put Mississippi on the map!" Let's keep it there.

Sincerely,

*Marcy Rehini*
