MANY THANKS to Dianne Davidson for your service to the Guild! Dianne has sent the Guild a "wooly" thank-you note to everyone which reads as follows:

December, 1984

Dear friends,

Thank you so much for my Jan Carter bowl. I know that I will enjoy it for many years and it will always serve as a reminder of our times together. Our growth over the past four years has given us times of joy and times of frustration, but I can honestly say that 1984 has brought much more of the former than the latter!! Working with you has been a joy and a delight and I will forever have a special place in my heart for each one.

Much love and happy weaving!

Dianne
