SEPTEMBER 1986 NEWSLETTER

WELCOME WEAVERS! Welcome back to our fall schedule and more Newsletters! Summer was SO-O-O busy, but did you finish the summer project(s)? Bring it (them) for Show 'n' Tell in September.

GOOD SHOW, everybody!! MS WEAVES I was a beautiful, highly professional exhibit. Amy Evans, show director sends the following message:

A special thank you for participating in "Mississippi Weaves"—it was a great beginning for more to come! We had a great "hanging" committee—Judy Foster, Hazel Howell, Marsha Harris, Shelly Leichter, and Gerry Reiff! I couldn't have done it without them—not to mention Diane Davidson and her big van. It was a great success! Another hat-off to Kim Whitt for the great props! Start weaving now—we'll try to outdo ourselves in 1988!

And ORCHIDS TO YOU, TOO, Amy!

CONVERGENCE '86 in Toronto was fabulous, and Marcy, Shelly and Margaret will be happy to show and tell about it at the upcoming meetings. Other weavers there from MS were Helen Currie and Dee Cichon from Pass Christian.

A FIREP ARTISTS' SHOW is being held at Meridian Jr. College from Sept. 2- 29. The opening was held Sunday, September 7, 2-4. Sorry we missed that press deadline!

The MS STATE FAIR will be October 1-11. If you are interested in entering it you may get information from the Fair Commission at 961-4000 or Evelyn Donald, 939-4766.

Marcy Petrini is resigning as NGA PRP for MS because she is now serving as Learning Exchange Coordinator. A new rep will be needed by Jan. 1. Please consider volunteering for this post and contact Marcy if you are interested.

HAPPY WEAVERS! WELCOME to our new member, Jan Gambre, 1403 Walnut St., Hayseshoro, MS 39367.
