### December Meeting

During December, in lieu of our regular meeting and program, we held our annual "Loom Crawl " progressive luncheon. We began at Gerry Reiff's Jackson home for appetizers and spiced cider or coffee. I think we all enjoyed the opportunity to just sit and talk weaving, families, etc.. Next, the group moved south of Brandon to my house for the main course and (because of the distance) dessert. I was thrilled to finally get you all out to my house, and the food was wonderful. Our gift exchange, as before, was lots of fun.

Enclosed in active member's newsletters is a copy of the updated Guild Directives, which reflects the changes we made in 1988. Sandi Tucker did the work on this and it looks very "professional". Do read through it so you can help us to get back on track when we go astray.

Remember that while we won't be electing new officers until April, the nominating committee will be appointed soon and if you're interested in serving in some capacity, now would be a good time to let it be known. Also, ideas for programs are welcome any time, especially if you can present it or know someone who could.

Lastly, "dues are due " this month! Remember that due to the switch-over to a September- August calendar, we will be paying only through August this time and that the amount due is \$10. Please do pay up quickly as the newsletter will go out to paid members only in February. Also note that when you request that a complimentary newsletter be sent to a prospective member, we only send it for two months (unless that person joins the Guild ).

Checks should be made out to "Chimneyville Weavers' Guild" and can be brought to the January meeting or mailed to Melanie Hays at 2739 Old Country Club Rd., Pearl MS 39208. If you've already sent it to the P.O. Box that's o.k. too.

FROM MARCY PETRINI:

#### THE WEAVING CORNER

This month, rather than continuing with the weaving information, I thought I'd share with you something that has been more important to me than any specific piece of information, weaving or otherwise: two grooks by Piet Hein.

T.T.T.

Put up in a place  
where it's easy to see  
the cryptic admonishment  
T.T.T.

When you feel how depressingly  
slowly you climb,  
it's well to remember that  
Things Take Time

#### The Cure for Exhaustion

Sometimes, exhausted  
with toil and endeavour,  
I wish I could sleep  
for ever and ever;  
but then this reflection  
my longing allays:  
I shall be doing it  
one of those days.

Happy New Year and Happy Weaving,

*Marcy*
