CHIMNEYVILLE WEAVER'S GUILD

May meeting minutes

The May meeting took place during our annual Sheep-to-Shawl. Nancy Landrum took her position as Director and presented Barbara Mitchell with a beautiful pin as thanks for her service. The guild voted to give the shawl from this years Sheep-to-Shawl to Amy Evans as a going away gift. It was presented to her at a party at Marcy Petrini's house.

COE Judging Event

The COEjudging will go to Portland, Oregon in 1996. We discussed hosting the event in 1998. A Chairman would go to Portland to observe the process. The expenses would be paid by HGA. The cost to our guild would consist of providing lodging, time, and food. The motion to host the 1998 judging passed and Marcy Petrini will write HGA with the offer.

Felting Workshop

The membership voted to invite Julia Kubat, Dyed-in-the-Wool Weavers, to conduct a felting workshop in the fall. The tentative cost would be the cost of materials fee for guild members and an additional fee for nonguild members. This will be discussed at the first fall meeting and a date decided.

Spinning Demonstration

Hazel Howell moved that we participate in a spinning demonstration at the Jackson Zoo, October 4, 1993 as part of Weaving and Spinning Month. The motion passed and Barbara Mitchell will check on the arrangements and let us know further details in September.

Summer Get Togethers

Informal meetings will be held this summer at Hazel and Nancy's. We will meet at Hazel's in June and Nancy's in August. Hazel is providing a picnic lunch and will show us how to do monogram pickup on the Inkle Loom. Bring your Inkle Loom and heavy crochet thread or pearle cotton. Be there at 10am Saturday, June 26, 1993.

Directions to Hazel's

Take I55 and exit at the Canton exit. There is a Wendy's and McDonald's at that exit. Head into Canton and go straight to the square. This road becomes 16E. Take 16E through Canton until you get to a flashing light, the hospital is on the left. Turn right on to Lakeview and go one block and turn left on to Sunset. It is the 5th house on the right on Sunset and is pink brick.
