### November Meeting

The November meeting was held November 20, 1993 at the weaving studio in the Chimneyville Crafts gallery. Diane Dixon presented a program on SouthEastern Basketry. Diane is a member of the Craftsmen's Guild of Ms. and has a grant from the National Endowment of the Arts to study Choctaw basketry. She showed many slides and explained some of the intricacies that make Choctaw baskets unique and a disappearing art. Later that afternoon she showed us how to make a wren basket or birdhouse; I'm not sure of the proper terminology. Some of us still haven't completed our baskets.

### Treasurer's Report

Eileen reported that we have \$2316.01 in the treasury and more dues coming in.

### Chimneyville Crafts Festival

Once again the CWG out did itself with the Christmas tree for the festival. Beth Arrington and company did a great job. Several people wanted to buy the ornaments and one lady even asked for a name to contact a guild member to have some ornaments made for her. We were well represented in the first ever fashion show with Marcy Petrini, Judy Foster, and Sharon Williams all having entries. Jane Burrows was a great model. Several other guild members were visible as volunteers, taking up tickets, booth sitting and handing out surveys.

### Roc Day

Don't forget to get your application in to attend Roc Day 1994. It will take place January 8, 1994 from 9:30 a.m. - 4:00 p.m. at the Pass Christian Yacht Club. If you plan to spend the night a CWG member, Marianne Sicard, has guest cottages for rent at a special rate. Nancy Landrum has the rate information if you're interested. CWG has agreed to help with door prizes. Each guild member is to bring their door prize item with them to the loom crawl. We are still making arrangements to get them to the coast.

### Name and Logo Change

Presentations for our new name and logo will be made at the January meeting and we vote in February. The name and logo will be voted on separately. Everyone get your ideas ready for the meeting, January 15, 1994.

### January Meeting

The January 1994 meeting will take place January 15, 1994 at the weaving studio. The Board meeting is at 9:30 a.m. and the general meeting at 10 a.m. Sandi Tucker will do a program on tailoring for handwoven garments. The afternoon session will be on making our own patterns for use with handwoven with Hazel Howell's help.
