September Program

Creativity Through Inspiration

What will provide the spark for your next project? A photo, music, colors, textures? On Sat., Sept. 21, Sharon Williams, as an award winning fiber artist, will direct members in how to transform a fledgling idea into a work of art. With the spring CWSG exhibition in mind, Sharon will guide us in transforming our inspiration to a finished project.

As an additional hands-on activity, CWSG members will be making stitch markers for the 2014 Roc Day goody bags. See page two for a list of supplies to bring.

From the President

Hello Fellow Weavers and Spinners,

I'm looking forward to our meeting in September. We'll be back in the swing of things with our challenge for the January exhibit by Sharon Williams and making stitch markers for the goodie bags for Roc Day, also coming in January.

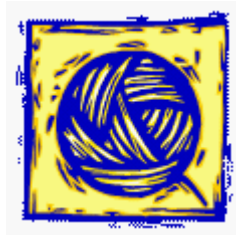

This past month I decorated a table for my church's women's luncheon. My inspirational verse was Proverbs 31:13: She seeks wool and flax and works willingly with her hands.

See you September 21st!

Your president,
Donna
