As the season shifts and changes, do you find that your focus on weaving and spinning changes as well? Does the cold weather encourage you to snuggle up and sit down on a new fiber project?

To keep you from the hibernation doldrums, join us in our upcoming winter activities- there's the Christmas party, Roc Day, and the Sapphire Challenge. Let's make this a festive fiber season!

DONNA PEYTON

Do you have any app, program, or website you use when you weave or spin? Come and share your go-to digital tools that you've found indispensable

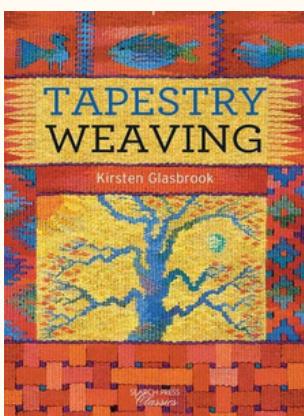

Convergence

The Handweaver's Guild of America (HGA) is an international membership association created to encourage excellence, inspire creativity, and preserve fiber arts traditions through education and community. HGA will host its bi-annual conference next August 12-16, 2026 in New Orleans, LA. This is a great opportunity to attend this event since it is so close to home - even if its just going on Saturday to check the marketplace out or to take a one-day class. The schedule and registration information can be found online at

<https://weavespindye.org/convergence/>. If you have any questions about the event (or want to share a room to cut down on costs) just ask around - many members have attended and will be able to tell you more about it!

CWSG PhotoCircle Reminder

Our guild uses the PhotoCircle app to share photos for the newsletter and with each other. We currently have 4 shared photo albums: (1) Member Projects and Photos, (2) Meetings and Programs, (3) Demos and Events, and (4) Historical Photos. Attached to the newsletter are the instructions on how to install and use the app. Once you have the app, email Janet Lee and she will get you added to the guild's photo albums.

This book and many others are available for checkout from the Guild Library. Check out our library at www.librarything.com/profile/CWSGLibrary and contact Jacqueline Dutsch to borrow from the library.
